Proofs of claim should reflect arrearage through the petition date. For accounts that are in default the Trustee will commence disbursements of installment payments the month after confirmation and any filed arrearage claims will be adjusted accordingly. Amounts stated on a proof of claim as adjusted to include post-petition payments through the month of confirmation, will control over any contrary amounts listed below for the installment payment and the arrearage.

The Debtor requests that the Court determine the value of the secured claims listed as set forth in Sections 4.1.d, 4.2.d, and 4.3.d as applicable. For each non-governmental secured claim listed above, the Debtor states that the value of the secured claim should be set out in the column headed *Amount of Secured Claim*. For secured claims of governmental units only, unless otherwise ordered by the Court, the value of a secured claim listed in a proof of claim filed in accordance with the Bankruptcy Rules controls over any contrary amount listed above. For each listed claim, the value of the secured claim will be paid in full with interest at the rate stated above.

The portion of any allowed claim that exceeds the amount of the secured claim will be treated as an unsecured claim under Section 6 of this plan. If the amount of a creditor's secured claim is listed above as having no value, the creditor's allowed claim will be treated in its entirety as an unsecured claim under Section 6 of this plan. Unless otherwise ordered by the Court, the amount of the creditor's total claim listed on the proof of claim controls over any contrary amounts listed in Section 4.

The holder of any claim listed in Section 4 as having value in the column headed *Amount of Secured Claim* will retain the lien on the property interest of the Debtor or the estate until the earlier of:

- (a) payment of the underlying debt determined under non-bankruptcy law, or
- (b) discharge of the underlying debt under 11 U.S.C. § 1328, at which time the lien will terminate and be released by the creditor.

Section 5: Collateral to be Surrendered.

- a. \square None. If none is checked, the rest of Section 5 need not be completed or reproduced.
- b. 🗵 The Debtor Proposes to Surrender to Each Creditor Listed Below the Collateral that Secures the Creditor's Claim.

Upon timely filing of a claim evidencing a non-avoidable lien, the Debtor will surrender the collateral in satisfaction of the secured claim, and the stay under 11 U.S.C. § 362(a) will be terminated as to the collateral only and the stay under § 1301 will be terminated in all respects effective upon confirmation of this plan. Effective upon confirmation the creditor will be allowed a period of 120 days for personal property and a period of 180 days for real property to file a documented deficiency claim. Any allowed unsecured claim resulting from disposition of the collateral will be treated as an unsecured claim under Section 6.

Local Standard Provisions.

- 8.1 a. The Trustee shall collect and disburse payments in accordance with the plan.
 - b. Proofs of claim must be filed to receive disbursements pursuant to the plan. Any claim to be paid as secured must contain evidence of a properly perfected lien on property of the estate. If a claim is listed as secured and the creditor files an unsecured claim, the claim will be treated as unsecured.
 - c. Any creditor holding an allowed secured claim and to whom the Debtor is surrendering property under the order confirming plan is granted relief from the automatic stay as to the property and relief from any co-debtor stay so the creditor may obtain possession and liquidate the property. Any net proceeds, after payment of liens and costs of liquidation, are to be forwarded to the Trustee.
 - d. All payments being made by the Trustee on any claim secured by real or personal property shall terminate upon the lifting of the automatic stay with respect to the affected property.
 - e. Notwithstanding the allowance of a claim as secured, all rights under Title 11 to avoid liens are reserved and confirmation of the plan is without res judicata effect as to any action to avoid a lien.
 - f. Notwithstanding 11 U.S.C. § 1327(b), all property of the estate as specified by 11 U.S.C. §§ 541 and 1306 shall continue to be property of the estate following confirmation until the earlier of discharge, dismissal, or conversion of the case.
 - g. Confirmation of the plan shall not prejudice the right of the Debtor or Trustee to object to any claim.
 - h. The Debtor must promptly report to the Trustee and must amend the petition schedules to reflect any significant increases in income and any substantial acquisitions of property such as inheritance, gift of real or personal property, or lottery winnings.
- 8.2 THE FOLLOWING ADDITIONAL PROVISIONS ARE APPLICABLE TO THE HOLDER OR SERVICER ("HOLDER") OF A CLAIM SECURED BY A DEED OF TRUST, A MORTGAGE OR SECURITY INTEREST IN REAL PROPERTY, OR A MOBILE HOME THAT IS THE DEBTOR'S PRINCIPAL RESIDENCE:
 - The Holder, upon confirmation, is precluded from imposing late charges or other default related fees based solely on preconfirmation default.
 - b. If the Trustee is disbursing ongoing monthly installment payments, the Holder must apply each ongoing payment to the month in which the payment is designated.
 - c. For any loan with an escrow account, the Holder must prepare and must send an escrow analysis annually to the Debtor, the Trustee and the Debtor's attorney. The first escrow analysis must be filed with the proof of claim in accordance with Bankruptcy Rule 3002.1. The escrow analysis should not include any amounts that were included or should have been included in the arrearage claim.
 - d. The Holder shall continue to send monthly statements to the Debtor in the same manner as existed pre-petition and such statements will not be deemed a violation of the automatic stay.
 - e. The Holder is required, upon request, to provide account information to the Trustee within 21 days of the request and failure to provide a timely response may result in an order requiring the Holder to appear and show cause as to why Holder should not be sanctioned for failure to comply.
 - f. Nothing herein shall modify Holder's responsibilities under Bankruptcy Rule 3002.1.
 - g. Unless the Court orders otherwise, an order granting a discharge in the case shall be a determination that all pre-petition and post-petition defaults have been cured and the account is current and reinstated on the original payment schedule under the note and security agreement as if no default had ever occurred.
 - h. PENALTY FOR FAILURE OF HOLDER TO COMPLY WITH THE REQUIREMENTS OUTLINED IN BANKRUPTCY RULE 3002.1.

 Without limitation to the Court's authority to afford other relief, any willful failure of the Holder to credit payments in the manner required by Bankruptcy Rule 3002.1 or any act by the creditor following the entry of discharge to charge or collect any amount incurred or assessed prior to the filing of the Chapter 13 Petition or during the pendency of the Chapter 13 case that was not authorized by the order confirming plan or approved by the Court after proper notice, may be found by the Court to constitute contempt of Court and to be a violation of 11 U.S.C. § 524(i) and the injunction under 11 U.S.C. § 524(a)(2).
